If this is a complaint for a dog at large, when was the last date and time the dog was seen at large?

If this is a barking complaint, when was the last date and time the dog was heard barking?

It is my wish to have a **warning** or **citation** issued to the suspect. (circle one)

If a citation is requested, an Animal Control Officer will determine if there is sufficient evidence based on the circumstances and information available. If a citation is issued the complainant must appear in court.

Please take photos of the dog(s) at large. If filing a barking complaint, please have an audio recording inside your home of the dog(s) barking. This information may be used in court as evidence.

It is my desire to file a complaint against the above mentioned suspect
